

The RSPCA are committed to helping communities in bushfire areas. We understand with time, bushfire affected owners who tragically lost their animals in the fires, will consider purchasing an animal again. Animals available at RSPCA Adoption Centres will be offered free of charge to families where there is a perfect match. Please contact the RSPCA Victoria Shelter Manager on 03 9224-2223 to discuss the animals we have available needing new homes. We are also encouraging all families adopting new pets to microchip and desex their animals and encourage you to contact us for more information.

If you lost animals in the bushfires whether your animal was a companion animal such as a dog, cat, horse or other livestock, and a new animal meeting your needs is available through a supplier (other than the RSPCA), you may be eligible for financial support from the RSPCA Bushfire Relief fund. This form will help you find out more information.

This financial support has been made possible by kind donations to the RSPCA Bushfire Relief fund. 100% of these donations will support the RSPCA's bushfire relief efforts, and support animals affected by the devastating Victorian bushfires.

The RSPCA understand the urgency of your request and we are committed to processing your application within one week of its arrival at RSPCA Burwood East. If you have any questions or, you need urgent assistance, please phone 03 9224 2222 to speak with a member of our Bushfire Relief team.

As you consider the future of your family and animals, the RSPCA will be there every step of the way.
