The Community Education program explores issues relating to the RSPCA, not only as a community organisation, but a charity. Examine its role in our society, our responsibilities as community members and government involvement. Case studies, current issues and campaigns will be discussed.

The program comprises of three (3) components. Please tick what suits you and we will tailor a visit to your requirements.

- Audio visual presentation (40 mins)**
An audio visual presentation focusing on the work of the RSPCA, exploring the issues an animal welfare organisation faces, and the people who work there. Case studies, current issues and campaigns will be discussed.
- Barn / Animal experience (30 mins)**
An opportunity to visit our barn and get up close and personal with a variety of companion and production animals.
- Animal Welfare Centre Tour (15 mins)**
Take a guided tour around the Animal Shelter and see some of the animals that are waiting to find a new home.
